

# CURRICULUM VITAE

## GENERAL INFORMATION

Family name : LEGRAND

First name : Marc Julien

Middle names : Louis, Monique

Date of birth : June, 8<sup>th</sup> 1958

Place of birth : Huy, Belgium

Marital status : Divorced, 2 sons, 1 daughter.

Address : Professionnal : -Centre Hospitalier Régional de Huy  
Dept of abdominal surgery  
Rue trois Ponts  
4500 Huy Belgium  
Tel :32 85272111

Private : 91, Place Galloy 4520 Moha Belgium  
Tel/fax : 32 85236208  
E-Mail : mj.legrand @skynet.be

Languages : French , English

## STUDIES

### *College*

1970-1976, College St Quirin, Huy, Belgium

Majors : Latin & Mathematics

Grade : High Honors

### *Medical School*

1976-1979, Facultés Notre-Dame de la Paix, Namur, Belgium

Candidatures en Sciences Médicales, with Honors

1979-1983, University of Liege, Faculty of Medecine, Belgium

Doctorats en Médecine, with Honors

## *Surgical Residency*

Post-graduate in General and Abdominal Surgery

1983-1985 : Hopital de Chatelet, General Surgery (Dr J. Boxho)

1985-1987 : Hopital Universitaire de Bavière, Liège, Thoracic and Cardiovascular Surgery (Prof R. Limet)

1987-1988 : Hopital St Antoine, Paris, Abdominal Surgery and **Digestive Surgical Oncology (Prof R. Parc)**

1988-1989 : CHU Sart Tilmant, Liège, General, Abdominal and **Oncologic Surgery (Prof N. Jacquet)**

**.Visitting surgeon in the department of surgery (Prof T.R.De Meester),**  
University of Southern California, Los Angeles, USA, December 1994

*Educational Commission for Forein Medical Graduates (ECFMG)*

July 27<sup>th</sup> 1983 : Medecine score 76 /100

*Thesis in medical sciences* : « Treatment of gastro-esophageal reflux disease with laparoscopic Nissen fundoplication » November 25<sup>th</sup> 1998 : highest honors with jury congratulations

## FUNCTIONS

**1989-1991 -Fellow-ship in laparoscopic surgery and surgical oncology, CHU Sart tilman,Liège (Prof Jacquet)**

-Consultant surgeon in abdominal surgery, Centre Hospitalier Hutois, Huy (Dr Belachew)

**1991-1995 - Attendant surgeon in general and abdominal surgery, Centre Hospitalier Hutois, Huy (Dr Belachew)**

- Consultant surgeon, CHU Liège (Prof Jacquet)

**1995-1997 - Attendant surgeon in general and abdominal surgery, CHU Liège (Prof Jacquet)**

- Consultant surgeon in abdominal surgery, Centre Hospitalier Hutois, Huy (Dr Belachew)

**1997-1998 -Attendant surgeon in general and abdominal surgery, Centre Hospitalier Hutois, Huy (Dr Belachew)**

- Consultant surgeon, CHU Liège (Prof Jacquet)

1999- - Chief of general, visceral and bariatric surgery, Centre Hospitalier Hutois, Huy.

-Consultant surgeon, CHU Liège (Prof Meurisse)

-

### MEMBER OF SCIENTIFIC SOCIETIES

1. Member of the Belgian Royal Society of Surgery ,since 1989  
Member of the **section for Foregut Surgery**  
Member of the **section for Breast Surgery**  
Member of the **section for Hepatobiliary and Pancreatic Surgery**
2. Member of the Belgian Royal Society of Gastroenterology ,since 1990
3. Member of the European Association for Endoscopic Surgery ,since 1991
4. Member of the Belgian Group for Endoscopic Surgery ,since 1992
5. Member of SAGES (Society of American Gastrointestinal Endoscopic Surgeons) ,since 1992
6. Member of the board of BeSOMS (Begian Society for Obesity and Metabolic Surgery) since 2005

### ORAL PRESENTATIONS

1. M.Legrand. **Les polyposes coliques**. Postgraduate course, Hopital St Antoine, Paris, March 1988
2. M.Legrand. **Les tumeurs benignes du foie**. Postgraduate course, Hopital St Antoine, Paris, June 1988
3. M.Legrand, N.Jacquet. **Les tumeurs mésoenchymateuses hypoglycémiantes**. Gastro-surgical club, Ramada Hotel, Liège, June 1989
4. M.Legrand, P.Honore, N .Jacquet. Avantages de **l'échographie peropératoire** en pathologie abdominale. Première Journée de pathologie digestive, Université de Liège, October 1989
5. M.Legrand, B.Monami, N.Jacquet. **Léiomyosarcome de la veine cave inférieure**. Gastro-surgical club, Ramada Hotel, Liège, October 1989
6. E.Tiret, M.Legrand , A.Kartheuser. Résultats de l'anastomose iléo-anale dans la **polypose colique familiale** et la rectocolite hémorragique. Société Royale Belge de Gastroentérologie, Bruxelles, October 1989
7. M.Legrand. Traitement chirurgical de la rectocolite hémorragique en dehors des urgences. Les indications opératoires de la maladie de Crohn, Postgraduate course, ULG, Liège, November 1989
8. Y.Recht, M.Legrand. Utilité de la scintigraphie biliaire en **chirurgie hépatique**. 20è journée de Chirurgie Digestive de l'Hopital St Antoine, Paris, November 1988
